# MISSOURI SOUTHERN ... YESTERDAY

... TODAY

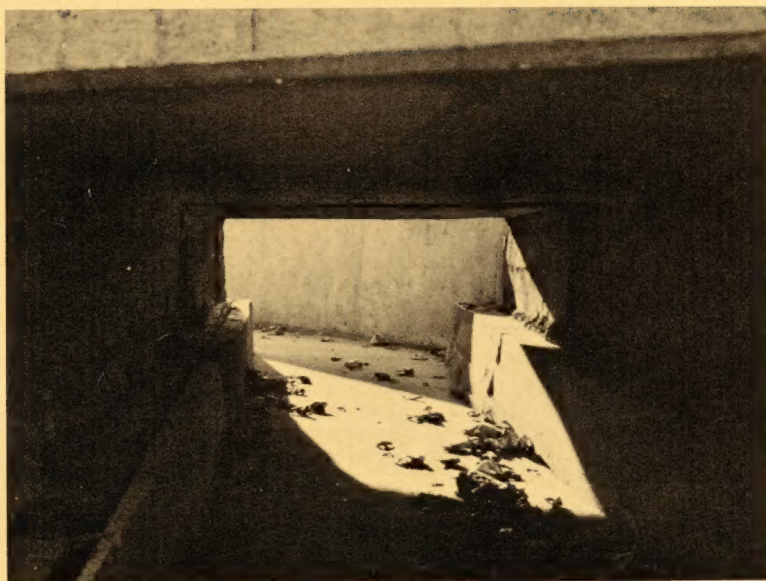

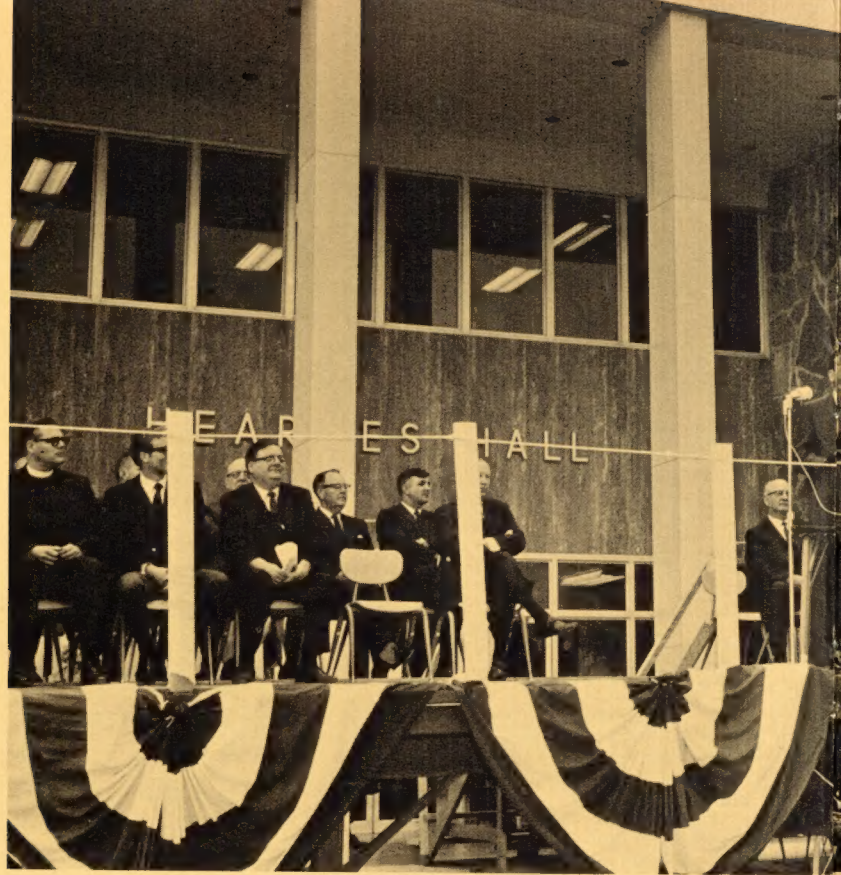

The fall of 1976 marked the beginning of our tenth year as Missouri Southern on the Mission Hills campus. We have grown from a single building at Eighth and Wall to a community of 3800 students, on a 300 acre campus. As we enter our second decade with full state funding, we look forward to continuing the expansion of the academic, cultural and social life of our students, and continuing as an integral part of the community life of Southwest Missouri.

## IN MEMORIAM

**ROBERT (CURLY)  
SANSENBAUGHER**  
1915-1976

Curly was custodian in the gymnasium, and he was a good friend. An avid sports fan, he loved recalling his days as a high school athlete. He is pictured here as captain of his 1933 East Palestine, Ohio football team.

Curly was always around, rarely missing a game of any kind, sharing in the victories and buoying team spirits in defeat.

In spirit, if not in reality, Curly was a member in good standing of the Letterman's Club.

## CAMPUS SIGHTS, NATURALLY

All items listed above belong in the world  
In which all things are continuous,  
And are parts of the original dream which  
I am now trying to discover the logic of. This  
Is the process whereby pain of the past in its pastness  
May be converted into the future tense  
Of joy.

Robert Penn Warren
